

# About Our Fundraiser

Bluff Dale Education Foundation's goals are to promote education excellence and inspire community ownership, commitment, confidence and pride in our Bluff Dale ISD. The goal of this fundraiser is to allow the community along with BDISD students, parents and families an opportunity to acknowledge and state their support, pride and loyalty to their Bobcats! Once we have reached each fundraising campaign deadline, we plan to have the bricks installed in public areas of the schools' grounds. The funds raised will support the goals of the Bluff Dale Education Foundation.
